CARING FOR YOUR FINE MALLIN FURNITURE

ALUMINUM FRAMES

Cleaning & Maintenance

Clean with a solution of warm water and mild soap. Use a fine automotive wax to maintain the gloss on non-textured finishes.

Removing Stains, Mildew, Etc.

Mallin's multi-step finishing process results in a stain-resistant finish. Severe stains may require light sanding and touch-up painting.

Insect Repellents & Suntan Lotions

The finish on Mallin furniture is formulated and baked on to make it highly resistant to repellents and lotions. However, to avoid discoloration, clean the frame as soon as possible after the exposure.

Special Instructions

Frame finish touch-up instructions: When using touch-up paints, please follow instructions and cautions on product labels. If covering scratches, rub lightly with fine steel wool to smooth the surface and improve paint adhesion. Apply thin coats of touch-up paint and allow ample drying time between coats.

FABRICS

Spot wash by sponging briskly with a mild soap in lukewarm water (do not exceed 100°F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.

Spot wash by sponging briskly with a mild soap in lukewarm water (do not exceed 100°F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.

Not recommended. Insect repellents and suntan lotions can reduce the life of fabrics, accelerate fading and stain fabrics. To avoid damage, wipe clean with mild laundry detergent and warm water. Do not use bleach or harsh detergents under any circumstances.

DO NOT USE STEAM. Acrylic fibers are made of 100% acrylic fiber and are thermoplastic or heat sensitive. When spot washing, use lukewarm water (under 100°F) and allow to air dry. Do not use solvents, carbon tetrachloride, scouring agents, bleach, janitorial cleansers, gasoline or brushes.
